### **CRP INDUSTRIES APPOINTS NEW INSIDE SALES REPRESENTATIVE FOR INDUSTRIAL HOSE DIVISION**

**CARTERET, NJ, September 2, 2008** - CRP Industries is proud to announce the appointment of Anthony Zaki to its Industrial Hose division. Anthony joins the division as a sales representative responsible for inside sales and customer support. Pete Sanquini, Vice President of the division states, "Tony is acclimating himself quite well in his new position. He's a diligent team player who focuses on providing the customer with the best possible solution as well as a quality experience with CRP".

Anthony Zaki has an established history providing superior service to industrial based customers. Tony has held customer service positions for some very fast paced organizations like *6<sup>th</sup> Avenue Electronics & WW Grainger*. Prior to coming to CRP, Tony was an Account Representative with *Synerfac Technical Staffing* where he was responsible for establishing new customers as well as maintaining relationships with existing clients.

As a sales representative for CRP Industrial, Tony will be responsible for maintaining relationships with current and potential accounts by providing support with an unwavering attitude towards quality and service which CRP prides itself on. His experience and dedication will prove to be a great asset not only to CRP but to the customers he comes in contact with.

CRP Industrial, a division of CRP Industries Inc., has been a proven partner to the North American industrial hose market for more than 20 years specializing in custom orders for high-pressure thermoplastic hose. With the support of three warehouses in the USA and Canada, CRP can fabricate and ship an order in as little as 24 hours.
