CRP Automotive Offers Complete Transfer Case Actuator Motor Assemblies for Import Vehicles

- New Rein Automotive assembly developed in conjunction with OE to ensure compatibility with ECU and original transfer case

Cranbury, NJ...CRP Automotive, a leading source of OE-quality replacement and service parts, offers Rein® Automotive Transfer Case Actuator Motor Assemblies for popular European makes as well as select Asian makes. These assemblies, offered by CRP, are the only complete OE transfer case actuator motor assemblies available in the aftermarket.

To ensure proper operation and fit, Rein Transfer Case Actuator Motor Assemblies ship with the motor, transmission component, and all necessary hardware needed for the application. The assemblies were developed in conjunction with the OE to make sure that they operate properly with the vehicle's ECU and the original transfer case.

CRP Automotive offers eleven Rein Automotive Transfer Case Actuator Motor Assemblies (Part no. TDA0001-TDA0006/TDA0008-TDA0012) for coverage on BMW, Infiniti, Land Rover, Mercedes Benz, Nissan, Porsche, and Volkswagen. Total coverage exceeds 2.9 million VIO.

Easy Online Lookup

The Rein Automotive undercar program features easy lookup on CRP's online application catalog that can be accessed through the CRP Automotive or Rein Automotive brand websites, www.reinautomotive.com, or Show Me the Parts, www.showmethetheparts.com/crp/.

About Rein Automotive

Rein Automotive offers a wide range of OE-quality automotive replacement parts for import vehicle applications, from motor mounts to hose assemblies and just about everything in-between. Rein programs include AC parts, an antivibration program, an expanded hose program including power steering hoses and a master cooling program inclusive of coolant hoses, water pumps and kits, coolant expansion tanks, thermostats and thermostat assemblies

along with caps and sensors. The Rein Automotive name stands for consistent and reliable quality. Only high quality parts wear the Rein Automotive name, whether for European or Asian vehicles.

About CRP Automotive

CRP Automotive, a business unit of CRP Industries, is a leading name in high-quality automotive replacement parts throughout North America. Our family of brands, which includes AAE Steering System Components, REIN Replacement Parts, Pentosin Technical Fluids and AJUSA Gaskets covers a wide range of product categories — and an even more extensive range of vehicle applications. We create sustainable solutions to problems caused by advancing technology — keeping vehicles on the road longer and stronger. To ensure we are always in touch with the current and future needs of the market, we maintain a close connection with the professional repair technicians who select and install our products in imported and domestic vehicles.
